Funciones de gestión.

The P-213UP includes management software, with which it guides the user during its configuration and management.

Technical features:

• Hardware/Ports:

- 1-port parallel IEEE 1284 para el puerto 1 (PID1)
- 2-port USB 2.0 for the ports 2 y 3 (PID 1 and PID2)
- 1port RJ45 10/100 Mbps. Reset button.

- **Management:** Management under Windows (PSAdmin), Web Management, Telnet Configuration, HP Web Jet Admin/HP Jet Admin.

• Advanced features:

- DHCP Client
- Upgradeable Firmware(PSAdmin, TFTP and Web)

- **Auto check test:** POST (Power On Self Test)

• Diagnostic LED`s:

- 5 LED`s for: Status del puerto Paralelo y los 2 USB en 1.1 o 2.0
- 2 LED`s for: LAN 10 or 100 Mbps.
- 2 LED`s for: Status and Power.

• Operative system support:

- Novell NetWare 3.12, 4.x, 5.x (Bindery and NDS)
- Microsoft Windows 95/98/Me
- Microsoft Windows NT/2000/XP
- Mac OS 8.0 or higher.
- UNIX System
- Linux (LPR)
- Internet (via Internet Printer Connection software)

- **Network protocol support:** TCP/IP, IPX/SPX, NetBEUI, AppleTalk, LPR, IPP (Internet Printing Protocol)

- **Power supply:** External, 12V 1A.

- **Dimensions:** 16.5 x 10 x 3.4 cm.

- **Certifications:** CE, FCC.
